Mooipan Airstrip Indemnity Form

I, the undersigned, being the owner/director of:

.....

(Details of the legal entity that owns / is responsible for the operation of the aircraft)

(hereinafter referred to as the Company) duly authorised as such and acting on behalf of the Company, being the owner and/or the operator of the following aircraft described as:

.....

(Details of the aircraft, including Registration Number)

(hereinafter referred to as the aircraft) hereby acknowledge that duly authorised pilots employed by and/or acting on behalf of the Company shall from time to time use the Mooipan landing strip which is situated on property owned, managed or controlled by Mooipan Boerdery and Tambotie Trust ("Mooipan").

The Company acknowledges that, notwithstanding any marking contained on the said landing strip, the strip shall at all times be deemed to be a private landing strip and as such is not certified, is an unregistered, unlicensed, unfenced, unprotected unit, may not be maintained, may not have been accurately measured in length and in width, may not have an accurate altitude and that there may be hazards and/or obstacles in existence on the approach to the said landing strip on the climb-out from the said landing strip, on the landing strip itself and on all and any taxi-ing areas and parking areas. In addition thereto the Company acknowledges that firebreaks may not be in existence and that there is a risk of fire emanating from whatever reason or whatever cause on the said landing strip as referred and/or situated on the property of Mooipan and/or on adjacent property of Mooipan.

Furthermore, the Company acknowledges that there is a very real risk to the aircraft and its occupants arising from the said hazards and/or obstacles including the existence of the movement of wild

animals, reptiles, birds, insects and/or the possibility of trespassers on the said landing strip and/or in the immediate vicinity including taxi-ways and parking areas.

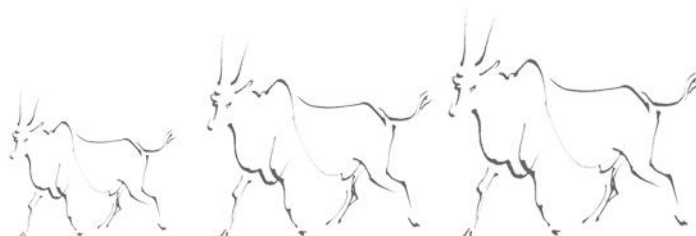

With the full knowledge of the foregoing the Company understands and accepts that Mooipan gives no warranties, representations or undertakings of whatsoever nature, either expressly or implied, as to the safety in utilising the said landing strip at any time whatsoever.

The Company further acknowledges that whenever the said landing strip is utilised either intentionally or under emergency conditions by the Company, the Company hereby indemnifies and holds Mooipan, its partners, trustees, management, employees, contractors, agents and representatives (or any form) harmless against any claim, loss or damage or actions which may arise or be brought and/or instituted by any third party whether such third party is, without limitation, employed by the Company or is a guest and/or a patron and/or an invitee and/or being conveyed by the Company (whether intentionally or unintentionally) for whatever reason whatsoever, as a result of or in connection with use by the Company and the aircraft of the landing strip.

No landing will be allowed without pilot and passengers signing the general Mooipan indemnity form, in addition to the Mooipan Airstrip Indemnity Form.

By signature of this indemnity the company agrees to:

1. meet and settle all and any claims for damages or loss instituted by any person (legal or natural) arising in connection with or incidental to the use of the landing strip, and/or
2. contest any claim/s for damages which may be instituted by any person due to any damage or loss sustained by such person as a result of the use of the landing strip, the cost of which contesting shall be for the account of the Company, and
3. hold Mooipan, its partners, trustees, management, employees, contractors, agents and representatives (of any form) harmless against all and any such claims including, but not limited to, any claims for damages, interests and costs.

Runway information Mooipan

- Latitude and Longitude S2345449 E02721649
- Elevation Approximately 2,900 ft
- Radio Mooipan has no radio
- Runway Approximately 08/26
Prevailing wind favours 08
Approximately 800 m x 20 m
Surface: Soft sand
Lighting: Nil
- Caution Road crosses runway next to hangar. Flyover runway before landing to warn ground traffic and lodge of your arrival.
- Important No landing will be allowed without pilot and passengers signing the Mooipan indemnity form. This is an unregistered airfield and therefore the onus is on the pilot to observe established safety precautions and to satisfy themselves that conditions offer a safe landing. The onus is also on the pilot to determine the suitability and operating limits of the aircraft for this type of "bush" strip. The Mooipan strip is typically limited to single engine aircraft with high flotation tyres and appropriate STOL features.
